US: 49 new wildfires contained in California

Suleyman Elcin and Sabri Kesen

ANKARA -A total of 49 new initial attack wildfires have been contained in California

as the western US state that lies across the Pacific Coast struggles to contain two dozen other large wildfires blazing for

the past several weeks. There are over 14,100 firefighters trying to put out wildfires across the state, said California Department of Forestry

and Fire Protection, also known as Cal Fire, in a statement on Monday. Since the beginning of the year, wildfires that rank ... [MORE DETAILS](#)
